[I was really happy to move into a new flat. It is much bigger than my old one. I used to share my room with my brothers, but now I don't have to do it. We all have our own bedrooms. So, there are four bedrooms, two bathrooms, a large dining room and a kitchen in our new flat.

The reason why we moved here is its location. This fall my brother John is going to school for the first time and the school we had near our flat is not so good. That's why we decided to move closer to the best Primary school in town. There is also a large shopping mall in our neighbourhood, ~~to spend~~ where my family can spend time on the weekend.

Well, I can say that I feel wonderful living in my new flat!

I was really happy to move into the new flat. It is really good. It is my dream!

This flat is ~~the~~ pretty ^{sp} spacious. It has two bedrooms, a bathroom and the kitchen connected to ^{gr} living room.

~~I am a adult now~~ Why did I move into it? Um, I am [✓] adult now.

So I am independent from my parents. ~~lastly~~, I was surfing the net and suddenly I saw the advertisement about ~~city~~ ^{house} ~~setting~~ house selling. I felt in love with this flat. But... to be honest, I would buy another flat if I had unlimited budget. But I have not so much money. But still, I'm glad I moved.

I was really happy to move into the new flat. This flat is so much better than the previous one. Although my old house in Ireland was very dirty and ugly, I still love my house, because there were a lot of memories in it, those I can't forget about. *end... that?*

My new place of living is located in England, London, nearby the Big Ben. It's 48 square meters, those are enough for me and my dog. It doesn't have that much of decorations. It has kitchen, little dining room, nice shower and huge bed. The only reason I moved is that my old house has burned.

I was really happy to move into the new flat. It is located in the centre of Khabarovsk. The view from the windows is exciting.

There are many rooms in my new flat: living room, kitchen, bathroom, my parents' bedroom and my own room. Living room is big. It has a table, some chairs, TV, armchair and a big sofa. My own room is now bigger. There is a table, my computer, bookshelf, wardrobe and two beds for me and my brother.

I'm so happy that I live in another flat. Our neighbours ~~were~~ were so noisy! It was hard to have a rest and do my homework. Now, our new neighbours are so friendly!

I like my new flat, and I hope we won't have to move into ^{the} new flat again.

I was really happy to move into the new flat. This flat is very light and beautiful. The walls in this flat are white, ceiling is white, floor is brown. There are many furniture in this flat. There are two large tables, sofas and some laptops in this flat. The flat is located in England.

I moved into it, because the seller was giving this it away for cheap and the flat is near for my house, the flat also fits true to size.

In my magazine for young people, you can see english souvenirs, a lot of english traditional food, many english clothes. You also can see the informations of many english people.
