(I was) I was really happy to move into the new flat. It has four rooms and is located near the city centre of London. When you enter the flat, you see a long hall with a big brown wardrobe towards it. On the left side there is a small kitchen with one table and four chairs. If you turn right, you will be located in a large living room with extra soft sofa and a huge TV. I love spending time with my family here. If you go forward, you will see my own room. It has a bed, a wardrobe and a big table. Moreover, I keep my laptop in it. There is also my parent's room, it is very big and has many interesting things in it. Moreover that, we have one toilet and one bathroom.

We had a reason to move into a new flat. Our old flat was located really far from the city, so it was hard to get to school and work. To sum up, I love my new flat.

My new home.

→ I was really happy to move into the new flat. It is so huge! I have never seen so huge flats before. In this flat we have two bedrooms - my bedroom and a bedroom for my parents, an enormous kitchen and a special TV-room - a room where we ~~can~~ watch films. ~~(We also have a balcony - our cats love it, because they can spectate birds.)~~ We have large windows - they're so big, that I can see the whole city! ~~(Their~~

~~height)~~ ~~The height of the windows is 1 meter 80 centimeters!~~ It is located in the center of ~~Khabarovsk, so I can see most of the city!~~

The ~~(main)~~ reason why we moved into it is my school. I am learning in a wonderful school. ~~(with the best classmates ever)~~ The only thing that disturbed me was distance between my old flat and the school. It took me ~~(nearly an hour to get to the school and)~~ ~~(around)~~ two ^(heavy) hours to get back home because of the traffic! My parents understood that I couldn't learn well because of the time I spent on getting back. ~~(from school)~~ Now the way to school takes me ~~(around)~~ ten minutes!

if I wouldn't have moved to this flat, I'd have some difficulties ~~(with learning)~~ at school. My life became ~~(more)~~ easier ~~(with this event)!~~

I was really happy to move into the new flat. It is what I would have said if it was true. But I have been living in ^{one} flat for my entire life by now. However, I could tell you about my dream flat. It would be located in an affluent neighbourhood, on the sixth or seventh floor. There will be a living room, a kitchen, a bedroom for every member of my family and a bathroom. There will also be a lot of flowers and some beautiful paintings.

If I had this flat, I would move there right away. After all, it is my dream to live there, but I would miss my old home, its cosy feeling, the playground, where I used to play as a kid and friends I made there.

We've got a chance to move in here because of my dad. Recently, his business has skyrocketed! If he hadn't started his own restaurant chain, we wouldn't ^{have} moved in here.

Our family has escaped the poverty we used to live in. Now, our new goal is decorating our new home.

Writing.

I was really happy to move into the new flat.

It is bright and airy with large windows. Firstly, there is ^a living room with comfortable sofa, coffee table and large television. There are modern kitchen, stylish bathroom, more over, there is ^a big balcony, where I often enjoy my morning coffee and just relax in my flat. The flat is located in a vibrant neighborhood. It is close to shops, cafés, parks.

I decided to move into the new flat because my previous residence was getting too small and I needed more room to live comfortably.

Overall, the new flat better suits my needs and lifestyle, making it the ideal choice for me.

If I hadn't moved into the new flat, I would have lived uncomfortably.
